TO : Deputy Director of Training (General)
FROM : Chief, Orientation and Briefing Division
SUBJECT: Report for Week 5-11 March 1953

DATE: 12 March 1953

25 YEAR RE-REVIEW

1. On Monday, 9 March, 73 new persons attended the Indoctrination Program.

2. Of all of the groups that have come through the Indoctrination process in the past year and a half, this particular audience made the poorest impression. The breakdown was 33 men and 40 women.

3. Preliminary discussions were held with [] from the Office of Security, Miss Apple of Air Force Intelligence and Colonel Dallam from the Office of the Deputy Director of Estimates, Office of the Director of Intelligence, United States Air Force. These conversations grew out of the suggestion of Colonel Dallam that officers from Air Intelligence be granted the opportunity of attending our weekly Indoctrination Program. Since he felt that officers outside of the Division of Estimates would also be interested in coming to the program, and since he was anxious that the invitation come from our Agency, I told him that our Director of Training would call whomsoever he felt was the proper person. The Director of Training is to call Colonel Young, Chief, Policy and Management Group, Office of the Director of Intelligence, United States Air Force.

I. ORIENTATION

1. The final report on the Ninth Agency Orientation Course was submitted to the Director of Training and the Deputy Director of Training (General) on Wednesday, 11 March. As on previous occasions, we will await the reaction of the Director of Training on the specific recommendations contained therein which will influence our current planning for the Tenth Orientation Course.

2. Informal information from the Department of Agriculture indicates that we are about to receive a favorable reply from the Secretary of Agriculture for the use of the auditorium for our program in May.

PRESENTATIONS

1. We are still awaiting official word on the resumption of the biweekly Presentations Programs.
